Price Drop Guarantee (PDG) is a product offered by Sunwing Vacations (valued at up to \$400 per couple) and is not considered an insurance product. For a limited time, Sunwing is including complimentary PDG for new bookings made from June 13, 2022 to July 28, 2022 for departures between November 1st, 2022 and April 30, 2023. PDG is only available on Sunwing bookings and applies to ALL package bookings only, which include roundtrip flights and in which Sunwing Airlines, Travel Service, TUI Airways are the carriers. This does not apply to Wild Wednesday, room upgrade promotions, groups, air or hotel only, cruise bookings or vacation products using carriers other than the airlines listed. This is an optional product and applies to the total price paid, including taxes and fees for bookings purchased in Canadian Dollars for Canadian departures. No registration is needed. Not available in conjunction with similar price drop protection plans of retail partners. In order to be eligible to make a claim each customer on the booking is responsible for online claims, checking the amount of variance between the current price and the price at time of booking (if any) by using the automated tool inside the My Booking section on the Sunwing.ca website and submitting a one time PDG claim. To make a claim, the identical vacation as booked, must be available at the time of claiming at a lower total booking price (i.e. same departure and return dates and flights, same airline and flight, same resort and room category and occupancy and number of passengers). Claim value must not exceed \$200 per passenger (adults or children under 12 years old). Claim eligibility will be based on total package price per person on the original booking (insurance, change fees and other add-on items are not included in the calculation). PDG can only be claimed once per booking, and cannot be claimed within 45 days of departure thereafter. Claims sent to Sunwing will be validated automatically and a response will be issued to the passengers on the booking. If the claim is made prior to final payment, the booking will be automatically adjusted at the new price and final payment will be required 45 days prior to departure. Once a claim has been made for the booking no further claims or adjustments will be permitted for the passengers on that booking. Recipients of valid claims will qualify for a rebate in Canadian dollars equal to the lesser amount of either: a) the variance amount of the total package price for the booking claiming or b) \$200 per passenger. If the final payment has been made, cheques will be payable to the person and mailed to the address entered on the claim section, approximately 4 weeks after claim has been validated. If the booking is cancelled, the amount refunded will be reduced by the PDG claim previously paid out. Visit www.sunwing.ca/en/pricedropguarantee for full Terms & Conditions and information on PDG claims. "\$100 Deposit"- A non-refundable \$100 per person deposit is payable at the time of booking (reduced from standard \$250 per person), which will be deducted from the final payment. Final payment will be due in line with Sunwing's regular policies. STAR Agent Reward Points are awarded on final payment and in accordance with STAR Program Terms & Conditions. For full terms & conditions on the Sunwing STAR Program, visit SunwingAgents.ca. STAR points are not awarded on any non-Sunwing Airlines flights nor any Hotelbeds product. These offers are subject to change or can be withdrawn at any time without prior notice.
